

International Workshop on Machine Learning for Materials Science 2018

Aalto University, 3-4 May 2018

Bringing together key scientific players to deepen understanding of materials science, computational physics, chemistry and machine learning.

**Jörg
Behler**

**Bjørk
Hammer**

**Sebastian
Matera**

**Logan
Ward**

**Chris
Wolverton**

**Angelo
Ziletti**

***Registration and abstracts
deadline: 1 April 2018***
